Thank you for being a friend to the WhidbeyHealth Foundation. Your support of local healthcare makes a difference in the lives of every person who lives on our beautiful island! Our Medical Center and Clinics served our community with nearly 90,000 visits last year. People rely on us for emergency medicine, diagnostic imaging, physical therapy, cardiac rehabilitation, home health care, hospice and for a host of surgical procedures done quickly, safely and locally. If the situation warrants it, Airlift Northwest helicopters are capable of transporting you to the top hospitals in the Seattle area faster than any ferry could. Last year nearly 3% of Emergency Department patients were transferred off-island.

Here at the Medical Center, we have been thrilled with the response to the newly constructed inpatient wing. Patients and their families are accommodated with privacy, comfort and beauty while under our care. The response has been overwhelming – we’ve waited a long time and the results have been worth the effort! Thanks as always to everyone who supported the bond. At the Foundation, gifts have allowed us to grow and to purchase much-needed equipment. Please see the next page for some of the projects we have been able to fund because of your generous gifts.

In our vision, our healthcare network offers a continuum of care for every resident of Whidbey Island. Naturally, there are always going to be some health challenges where a phase of your treatment must be accessed on the mainland. We are here with a caring network of referrals and a warm welcome back to your health home! Your local health partners are always ready to help you begin the journey back to total wellness.

Thank you for all you do to keep our island healthy and vibrant.

Here’s to your health!
With your help, we funded...

- New state-of-the-art stress testing treadmill systems for WhidbeyHealth patients in need of exercise stress tests, nuclear medicine stress tests, and echo stress tests.
- Continuation of WhidbeyHealth Emergency Medical Services’ ongoing installations of free, life-saving Automatic External Defibrillators (AEDs) all over the island.
- Two new beds and four recliners for chemotherapy patients in the WhidbeyHealth MAC/Oncology department.
- Employee Scholarships for continuing education and advancement.
- Financial help for those who need it for Home Health, Hospice and prescription medications.
- Free and low-cost heart screenings and free diagnostic mammograms. Thanks to the Soroptimists and the Coupeville Lions for supporting these vital programs.
- And so much more! Funds were granted for every clinical department at WhidbeyHealth, putting your generously donated dollars to work and improving patient care every day at our Medical Center and Clinics.

At-a-Glance

Over $42,000 was contributed by The Gift Shop at WhidbeyHealth and the Polly Harpole Guild in 2018. Our volunteers do amazing things to support healthcare on Whidbey Island!

In 2018, our volunteer program saw more than 17,500 hours donated by 135 community volunteers at an estimated value of more than $500,000.

Thank you for your support!

The WhidbeyHealth FOUNDATION MISSION
To support and enhance WhidbeyHealth through advocacy, and through the development and management of charitable gifts.
