Public Input or Comments: The board values the public's input and ideas and sets aside this time on the agenda to hear from the public on subjects of concern or support. We will make every attempt for each person wishing to speak to be given an opportunity. All information will be taken under advisement. Generally, no action on your input will be taken during the Board meeting, but to ensure proper response at a later date, should it be needed, please notify the moderator via the raise hand or chat function of your wish to speak and limit your comments to 3 minutes. The board appreciates your input.
